THEATRE & VENUE UNDERWRITER

OUR MISSION

Theatre Aspen School educates and inspires the next generation of theatre artists and enthusiasts through high-quality training programs and production experiences. Through our classes, workshops and productions students of all ages develop an understanding of professional excellence in an environment that is both rigorous and fun. Our experienced teaching artists, directors, and designers work to cultivate individual interest, encourage growth, and foster friendships and mentorships that will last a lifetime. Theatre Aspen School has never turned away a student due to financial need.
