

Welcomes Groups to our New Tent!

Theatre Aspen, Aspen’s only professional theatre, offers a *unique* “sunset with the stars” experience for groups large and small. The evening begins with a cocktail party outside Theatre Aspen’s tent nestled in the heart of Rio Grande Park.

Sipping drinks and noshing on appetizers, your group is treated to a charming setting just feet from the Roaring Fork River with views of Aspen Mountain and a sunset-filled sky. The evening continues...

with a Broadway-caliber performance followed by an intimate talk with the actors. This year’s company features Broadway and TV star *Sandy Duncan!*
